Mr. Charles Crawford
4553 Bordeaux Ave.
Dallas, Texas 75205

This *is* in response to the petition for rule making you filed on September 27, 2002, requesting the allotment of Channel 240A at Hemphill, Texas, as the community's first local aural transmission service.

A preliminary review of your petition indicates that it is not acceptable for consideration at this time. Your proposal is short-spaced to the licensed site for Station KYKZ(FM), Channel 241C, Lake Charles, Louisiana. Although the proposed coordinates (31-27-31 NL and 93-51-48 WL) clear Station KYKZ(FM)'s construction permit site (File No. BPH-20020111AAR) for Channel 241C1 at Lake Charles, your request would be dependent upon the ultimate licensing of the facilities it specifies, and we do not accept contingent petitions for rulemaking. *See Cut and Shoot, Texas*, 11 FCC Rcd 16383(1996).

Therefore, for the reason stated above, we are returning your petition. If and when construction of the modified facilities for Station KYKZ(FM) *is* completed and a license issued, you may resubmit your petition if it *is* in full compliance with our rules.

Sincerely,

John A. Karousos, Assistant Chief
Audio Division
Media Bureau

Petition for Rule Making
Hemphill, Texas

Attached hereto is a channel study confirming that Channel 240A can be allocated to **Hemphill**, Texas, consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992). Note: KYKZ Lake Charles, Louisiana was granted a construction permit on May 10, 2002 to downgrade from channel 241C to 241C1.

Reference coordinates are:

31 2731 N
93 51 48 W

Should this petition be granted, and Channel 240A be allotted to **Hemphill**, Texas Petitioner will apply for Channel 240A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

Charles Crawford
